Graphisoft SA Service Contract

Please find terms of the our service contract below. Pricing differs according to your number of licenses and the contract is valid for one year. Payment is due quarterly, on the 15th day of the month preceding a new calendar quarter. All contracts taken at any time in any given quarter must be paid for in full for that quarter, for the contract to become active.

The quarterly pricing below is subject to current exchange rate and excludes VAT,

- 1 to 9 licenses €120 each**
- 10+ licenses €100 each**

ArchiCARE
Upgrades to new versions of the software, for/during the duration of the maintenance contract
Half day new features training in the following regions - Johannesburg, Durban, Cape Town and Windhoek
Replacement of hardware protection key(s) for fee of €110 each, in event of theft or damage (valued at price of new license)
Access to technical support via email & internet during office hours
Invitations to special events held by Graphisoft SA
Less 25% on the list price of any training event, on-site support and telephonic support
Regular updates on social media groups, assistance with job placements and staff advertising

Annual Renewal and cancellation

- Contract renewal is automatic unless GGSA is notified in writing at-least 20 days prior to expiration.
- The contract cannot be cancelled within the first year of purchase
